## **Murray + Company expands**

Murray + Company has appointed **Samuel Gardner** as Associate Director in Wealth Management. He has 10 years' investment banking and financial industry experience and is a Chartered Financial Analyst (CFA) charterholder. Before joining Murray & Company he worked in London and Sydney with Credit Suisse, Morgan Stanley and Bankers Trust.

Murray + Company is a Christchurch based investment bank involved in mergers and acquisitions, capital raising, corporate advice, wealth management and principal investment.

Chief executive Justin Murray said sound wealth management advice was in strong demand, particularly following the debacle over the past year.
