

M U R R A Y + C O M P A N Y

DIRECTOR, WEALTH MANAGEMENT

Growing an exciting business
Investment Advice – Sharebroking – Portfolio Management

Murray + Company is a Christchurch-based Investment Bank with Corporate Finance, Wealth Management, Property Advisory and Private Equity divisions. The firm is a trusted provider of expert financial advisory and investment services to an array of New Zealand corporates, families and charitable organisations.

As a result of their continued growth and success, Murray + Company are now seeking to expand their Wealth Management team. A career move to this dynamic firm would bring with it the opportunity for a talented professional to make their mark in the South Island through growing a client base, providing investment advice and management, and sharebroking services.

Building on your track record of success in similar businesses, you will be highly motivated and goal-oriented, with excellent communication and marketing skills. Using high level analytical skills and business acumen you will make strategic investment decisions, provide quality investment advice and drive growth of the business. Well developed relationship management and the ability to grow a profitable client base, along with a high level of professional integrity are also essential for success in this role.

To apply in strict confidence now, email your CV to cvchc@sheffield.co.nz, or write to Sheffield, PO Box 5621, Wellesley St, Auckland, quoting reference number 46501aa. Applications close on 6 December, 2011. Emails will be electronically acknowledged and further correspondence may be by email.
